**AMENDMENT # 3**  
**TO**  
**DECLARATION OF CONDOMINIUM**  
**FOR**  
**WATERFRONT AT MAIN STREET, A CONDOMINIUM**  
(Submitting Phase 3)

This Amendment (the "Amendment") is made as of the 1<sup>ST</sup> day of August, 2018, by **THE WATERFRONT AT MAIN STREET LLC**, a Florida limited liability company (the "Developer"), for itself, and its successors, grantees and assigns.

**WITNESSETH:**

**WHEREAS**, Developer previously established **WATERFRONT AT MAIN STREET**, a condominium, pursuant to Declaration of Condominium for Waterfront at Main Street, a condominium, recorded in Official Records Book 2682, Page 5928, of the Public Records, as same may have been amended (the "Declaration"); and

**WHEREAS**, the Condominium is a phase condominium as authorized by the Condominium Act, and as more fully described in the Declaration; and

**WHEREAS**, Developer wishes to amend the Declaration to submit the Phase described and designated in this Amendment as part of the Condominium pursuant to the Declaration;

**NOW, THEREFORE**, in consideration of the premises, Developer hereby amends the Declaration as follows:

**1. Recitals and Definitions.** The recitals contained hereinabove are true and correct and are incorporated herein by reference. Capitalized terms used in this Amendment, unless otherwise expressly defined herein, shall have the meanings given them in the Declaration, unless the context shall otherwise clearly require.

**2. Submission of Phase.** The Developer, for itself, its successors, grantees and assigns, hereby submits to the condominium form of ownership pursuant to the Condominium Act and the Declaration, as amended hereby (a) that property described on the Plat and designated thereon as Phase 3, which is also described on Exhibit A-1, attached hereto to reflect the legal description in a larger and more readable font, (b) together with all Improvements erected or to be erected thereon, and (c) all easements, rights and appurtenances belonging thereto, including the Submitted Easements over the Subsequent Phase Lands described in Section 7.2 of the Declaration, excluding from such submitted property, any and all installations, facilities and devices for Utilities which may be owned by the utility furnishing services to the Condominium. The property hereby submitted is known as Phase 3, and shall become a part of the Condominium Property upon this Amendment being recorded among the Public Records. Phase 3 contains twenty one (21) Units.

**3. Supplemental Plat.** If and to the extent any supplemental and/or replacement sheet(s) of the Plat (including but not limited to a certificate of a surveyor in conformance with the Condominium Act, whether contained within a supplement or replacement sheet of the Plat or by separate instrument), is/are attached hereto as Exhibit A (a "Supplemental Plat"), then such Supplemental Plat is made a part

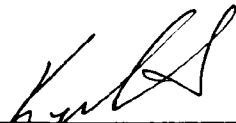

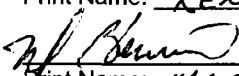

hereof and of the Declaration, and the Declaration and the Plat are amended, modified and supplemented by adding the Supplemental Plat thereto. In the event of any conflict between the Plat as attached to the Declaration and the Supplemental Plat, the provisions of the Supplemental Plat shall control. Hereafter the term Plat shall include the Supplemental Plat, if one is attached hereto. The Plat reflects the legal description of Phase 3, and an identification of each Unit within Phase 3 in accordance with Section 6.3 of the Declaration, to insure that no Unit in the Condominium, including Phase 3, will bear the same designation as any other Unit. The Plat (as amended and supplemented hereby) includes a survey of the Phase submitted hereby, a graphic description of the improvements in which any Units are located, and plot plans thereof, and certificate of surveyor in conformance with the Condominium Act.

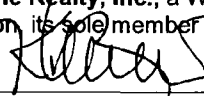

**4. Undivided Share in Common Elements.** As provided in Article 4 and Section 5.8 of the Declaration, each Owner shall at all times own an equal fractional interest in the Common Elements then forming a part of the Condominium Property. Effective upon the addition of the Phase submitted hereby, the undivided ownership in the Common Elements appurtenant to each Unit now within the Condominium, and the appurtenant ownership of the Common Surplus, is equal to one (1) divided by the total number of Units in all Phases now a part of the Condominium Property.

**5. Common Expenses.** As provided in Section 10.2 of the Declaration, the Owner of each Unit is liable for a share of the Common Expenses of the Association equal to his share of ownership of the Common Elements and the Common Surplus, as set forth in Article 4 of the Declaration and Paragraph 4 of this Amendment.

**6. Ratification.** The Declaration, as heretofore and hereby amended, is hereby ratified and confirmed. Developer represents that it has not transferred control of the Association.

**IN WITNESS WHEREOF**, the Developer has caused this Amendment to be executed in its name by an officer thereunto duly authorized as of the day and year first above written.

Before me, the undersigned authority personally appeared Robert R. Cunningham who after being duly sworn, deposes and says:

1. That Affiant is a registered Surveyor and Mapper holding Florida Certificate No.3924, and is the Surveyor who surveyed the property known and identified Waterfront at Main Street, a Condominium, as per Declaration of Condominium recorded in Official Record Book 2682, Page 5928 and as per plat thereof recorded in Condominium Book 40, Pages189 through 198 of the Public Records of Manatee County, Florida.
2. That record measurement were taken as shown on the attached Exhibit "A".
3. The construction of the improvements, with respect to Units 201-205, 301-305, 401-405, 501-503, and 601-603, Building 3, are substantially complete so that the condominium plat, together with the provisions of the Declaration describing the condominium property and the exhibits attached thereto are an accurate representation of the location and dimensions of the improvements and that the identification, location, and dimensions of the common elements and of each unit can be determined from those materials. I further certify that the construction of all planned improvements with respect to said Units are substantially complete including, but not limited to, landscaping, utility services, access to the units, and common elements facilities serving said Building.
